

# New upgrades for 2024

Working with you, we're improving lives by delivering greener, smarter energy solutions right here in the Miami Valley. That's why we have invested in new programs and services to better serve you. We work every day to serve you in new ways – including through these new upgrades.

In the weeks ahead you will learn more, we will keep you connected and informed through our digital transformation. This isn't an overnight change – it's been several years in the making with a powerful team behind it, the best of tech, and with you, our customer, at the center.
