

# Guarantor Agreement

(Please type or print clearly)

I, \_\_\_\_\_ (first and last name), agree to be the Guarantor for the electric service provided by AES Ohio for \_\_\_\_\_ (AES Ohio customer's name), also known as the Guaranteed, at the service address of \_\_\_\_\_ (street address and city).

As the Guarantor, I agree to be obligated for charges for the electric services provided to the Guaranteed through the date of termination of the guaranty. I understand that AES Ohio will send me all notifications for disconnections notifications or when the Guaranteed requests to transfer service to a new location.

If the Guaranteed defaults on the account, I will be held legally responsible for and agree to pay the defaulted amount. As Guarantor, I understand that the defaulted amount may be transferred to my account and that my service may be subject to disconnection, if the transferred amount remains unpaid for thirty days. I understand that this amount will not be more than the amount of the bill for sixty days of service or two monthly bills.

I understand that I may terminate this Guarantor agreement upon thirty days' written notice to AES Ohio. I also understand that, if I terminate this Guarantor Agreement, the Guaranteed may be required to reestablish creditworthiness when I terminate the guaranty.

I understand that AES Ohio shall annually review the account history of each customer who has provided a guarantor. Once the Guaranteed satisfies the requirements for the release of a guarantor, as stated in Rule 4901:1-17-06, of the Ohio Administrative Code, AES Ohio shall, within thirty days, notify me in writing that I am released from all further responsibility for the account.
