

# DP&L is now AES Ohio.

AES acquired DP&L nearly 10 years ago. Since that time, we have leveraged our global perspective to drive transformation at the local level to benefit the residents and businesses operating right here in the Miami Valley.

# Accelerating the future of energy, together.

We are changing our name and updating our brand to better reflect our shared global resources, expertise and mission to deliver **greener, smarter energy solutions**. Working together, we will continue to improve the communities we serve by offering reliable, affordable, and sustainable power to the Miami Valley.
